

# Attorney Lewis Hudnell of Hudnell Law Group Has Been Selected to the Northern California Super Lawyers List for the Seventh Year in a Row

**MILPITAS, Calif., August 2, 2021 (NewsWire.com) - Hudnell Law Group** is pleased to announce that its founder, Lewis Hudnell, has been selected to the 2021 Northern California Super Lawyers List — his seventh consecutive year.

Mr. Hudnell is an intellectual property attorney specializing in patent litigation. He is committed to providing outstanding client service and to helping clients achieve favorable results in complex patent disputes. Mr. Hudnell has served as lead counsel on numerous patent lawsuits in federal court. He has successfully represented clients at trial and obtained numerous settlements and dismissals in his clients' favor. He has also successfully represented clients in post-grant proceedings before the Patent Trial and Appeal Board. Mr. Hudnell earned a B.S. from Cornell University and a J.D. from the University of Pennsylvania. He is registered to practice before the United States Patent and Trademark Office and is rated AV Preeminent® by Martindale-Hubbell® in the area of patent litigation.

"Being selected to the prestigious Northern California Super Lawyers List for a seventh straight year is an honor, especially in light of the challenges the past year has presented," says Lewis Hudnell. "I am proud that Hudnell Law Group has been able to maintain its commitment to providing outstanding service to our clients. Earning this recognition would not have been possible without my dedicated team."

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys. No more than 5% of the lawyers in the Northern California region are selected by Super Lawyers.

The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country. The complete Northern California Super Lawyers list has been published in Super Lawyers Magazine.
